|-----------|------------------|------------------|---------------------|----------------|---------------------------------|
| MORNING | Craft Activities | Music & Movement | Musical Instruments | French Lessons | Walking in the Surrounding Area |
| AFTERNOON | Rising Fives | Cooking | Ring Games | PE | |

FRENCH SESSION

Each Thursday we have a half hour French session where your child has the chance to learn some basic French. These sessions are run by Geraldine, who is experienced in Early Years and provides French sessions at another local preschool. Her session includes lots of fun games and songs. Each week Geraldine produces an activity outlining what was included in the session that your child will complete, and take home.

PE SESSION

Each Thursday afternoon we use the Primary School hall for a PE session. Your child is given the opportunity to enhance their physical development along with gaining some independence through changing into their PE kit. Could you please supply your child with a pair of shorts and T-shirt in an appropriate "kit" bag (drawstring ones are ideal). This should be hung on their coat pegs.
